Dear WesleyNexus Recipient,

We at WesleyNexus have been working hard over the past few months to restructure our website in a way that will enable us to make changes more quickly and flexibly. To accomplish this, we have decided to change our web hosting platform which will change the look and feel of the website. Over the next few days, you may find our web address unavailable as we move from one platform to another. Please be patient with us while we make this change. We will be back online in a few days with a different look. Once the change has been made, we will be able to add new features like audio recordings to the website.

We invite you to let us know what you think and how we might make to website even better.
Have a wonderful day.

Sincerely,

Rick Barr
Secretary, WesleyNexus
